One of Elizabeth's favourite pastimes is exploring markets. Her paintings celebrate colour, energy and movement. The brushstrokes combine sketching and blending of colour allowing the viewer to explore beautiful things, fragrant smells, muffled sounds, with forces pushing and pulling you. Imagine yourself picking your way through these vendors.

ARTIST

---

Elizabeth Hardinge is an emerging contemporary Canadian artist living in Toronto. Her artistic voice speaks of movement, energy and playfulness, with the goal of capturing the moment and allowing it to carry on. Working in oil, her larger format canvases allow her to be passionate, expressive and visual.
